 - One attachment is one invoice. If one attachment includes several invoices, they are handled as one
- One attachment must contain both invoice and its attachments. If one invoice and its appendixes are in separate files, they are not handled as one invoice. The separate appendix is rejected.

FAQ

Q: We are interested in e-invoicing, how can we get support to set it up?

A: Procurement.operations.be@ingka.ikea.com

Q: Why do we sometimes receive emails from cbd.ssc.poz@ingka.ikea.com and is there any action needed?

A: It is the supplier data confirmation team, asking you to confirm VAT/bank details.

Q: Why can I only send my invoice through either PDF or electronically – If I use several methods I will be sure you have received it.

A: Duplicate invoices requires a lot of manual administration which is very time consuming.

Q: How do I know if you (IKEA) have received my invoice?

A: If you are unsure, contact accounts payable before sending a new invoice

Q: Why does IKEA prefer digital invoices and not hand-written?

A: The data from your invoices is extracted automatically and handwritten invoices require a lot of manual administration

Q: Why is it preferable to have the invoice in black text on white background?

A: It enables automatic invoice processing

Q: Why can't I send PO confirmation via the pdf invoice address?

A: We can only handle invoices and credit notes via that address
