If electronic invoicing isn't possible, pdf invoices are allowed but please ensure the below requirements are met, else there is a risk of having the invoice rejected.

FAQ

Q: We are interested in e-invoicing, how can we get support to set it up?

A: www.vendorportal.ingka.com

Q: Why do we sometimes receive emails from cbd.ssc.poz@ingka.ikea.com and is there any action needed?

A: It is the supplier data confirmation team, asking you to confirm VAT/bank details.

Q: Why can I only send my invoice through either PDF or electronically – If I use several methods I will be sure you have received it.

A: Duplicate invoices requires a lot of manual administration which is very time consuming.

Q: How do I know if you (IKEA) have received my invoice?

A: If you are unsure, contact accounts payable before sending a new invoice

Q: Why does IKEA prefer digital invoices and not hand-written?

A: The data from your invoices is extracted automatically and handwritten invoices require a lot of manual administration

Q: Why is it preferable to have the invoice in black text on white background?

A: It enables automatic invoice processing

Q: Why can't I send PO confirmation via the pdf invoice address?

A: We can only handle invoices and credit notes via that address
